Promoting Global IOT and Robotics Companies in Japan Market and EXPO

Encress Ltd., official promoter of the Japan Robot Exhibition iREX 2015, Organized by Japan Robot Association (JARA), The Nikkan KogyoShimbun, Ltd and Supported by various Japan Trade bodies, would like to invite global robotics companies to the 21st International Robot Exhibition to be held from December 2nd to 5th this year at Tokyo Big Sight.

This exhibition includes about 500 plus domestic robot manufacturers and related businesses and over 50 international exhibitors. Approximately 150,000 domestic technicians and professionals are expected to participate from different fields like Electronics, Automotive etc. along with foreign participants .The mass event certainly makes iREX 2015 an international event. The leading exhibits include industrial robots working in manufacturing industry with real manufacturing environments, robotic demonstrations, and overwhelming visitors to touch and experience the latest developments in robotic technology of Japan.
